Understanding data holdings

Data retention – not just a compliance issue

Unclear ownership

Uncertainty regarding who has the authority to determine the end of a record's life cycle

Fear of deletion

A tendency to retain records out of caution, preferring to keep them "just in case"

Poor access controls

Inadequate security measures that lead to a false sense of security regarding where records are stored

Inadequate systems

Insufficient or ineffective systems for managing records

Achieving Privacy Compliance

- ✓ Data retention
- ✓ Leadership and Culture
- ✓ Clear roles and responsibilities
- ✓ Authorisation and Delegations
- ✓ Data breach response testing
- ✓ Understanding and know your data holdings
- ✓ Establish a comprehensive data governance framework
- ✓ Regularly assess and update privacy policies
- ✓ Train employees on data handling and breach response
- ✓ Implement technical measures to protect personal data
- ✓ Create a clear data breach response plan
- ✓ Data minimisation
